

IDEAL SEAL[®] 3000

MASTIC FOIL TAPE

Jump Start Your Next Job

Finally!
A liner that's
frustration-free

IDEAL SEAL[®] 3000

A MASTIC FOIL TAPE WITH A QUICK START LINER AND THE STRONGEST BOND

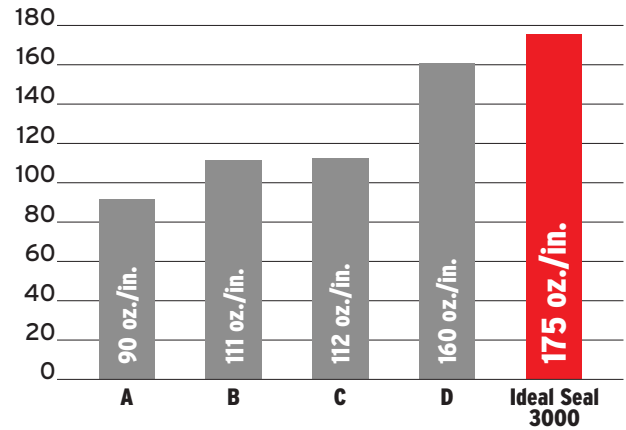

Who could afford to spend more than a minute just trying to peel the liner from the tape?

Not us! We compared four prominent mastic brands to Ideal Seal 3000 in a time test and found that our tape was up to 20x faster to get started, thanks to our innovative liner design. A competitive product could take over a minute just to get started, while Ideal Seal 3000 took an average of 4 seconds. To jump start your next job, save valuable time with Ideal Seal 3000 mastic foil tape.

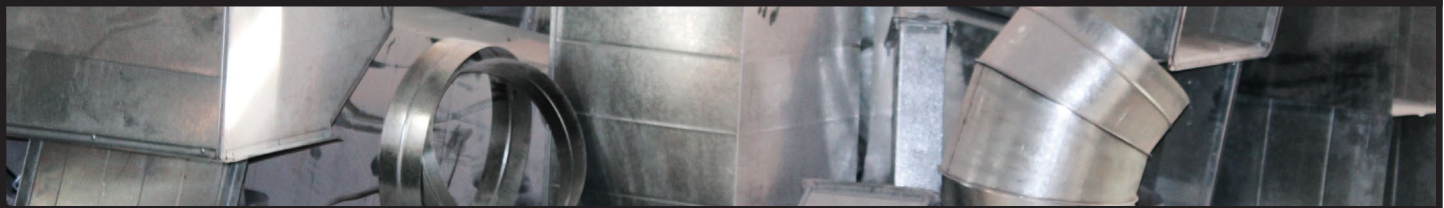

Ideal Seal 3000's revolutionary new liner gets you started **20x faster**

A mastic foil tape with a bond that's **90% stronger**
